

Montana Department of Natural Resources (DNRC)
Floodplain Management Program

Ward's Science Storm Water Floodplain Simulator (Simulator)

Loan Agreement

FYI: Simulator Replacement cost: \$1,200.00

To Be Completed by Party Accepting Loan---Prior to Loan

I accept responsibility for the care and security of the Simulator and related components. Should the Simulator incur any damage or if any Simulator components are found missing, I will be responsible for replacing them

I will read the "Care and Handling" instructions on page 4 of the "Users Guide" and agree to follow all instructions for proper use of the system as outlined in the "Users Guide". Additionally, I will drain any water that leaks into lower section via a small drill hole.
