

**IN THE WATER COURT OF THE STATE OF MONTANA
LOWER MISSOURI RIVER DIVISION
BEAVER CREEK, TRIBUTARY TO MILK RIVER (BASIN 40M)**

**NOTICE THAT OBJECTIONS HAVE BEEN FILED
AND HEARINGS REQUESTED**

This is your personal notice that the Montana Water Court will hear objections, receive evidence, and review the historical beneficial use of 1,464 water right claims diverted or used in Beaver Creek, Tributary to Milk River. All but four of these claims were included in the Basin 40M Preliminary Decree issued in 2009.

WHAT IS HAPPENING?

An **Objection List** has been prepared that identifies the claim number, the ownership, the water source involved, the names of any objectors, and the general nature of the issues which the Water Court will review. Any of the claims on the list may change as a result of this review. *Changes to a neighbor's water right may affect your water rights.* After the Water Court completes its review of these claims, a water commissioner could be appointed to enforce the provisions of these claims on any of the sources involved. The purpose of this proceeding is to determine the historical beneficial use of the claims involved in this drainage. If you want to be kept informed of the progress of a water right claim through the Water Court, or to become involved as a third party in the claim proceedings, you need to file a **Notice of Intent to Appear**.

FOR YOUR PROTECTION, WE SUGGEST THAT YOU THOROUGHLY REVIEW THE OBJECTION LIST AND THEN DECIDE WHETHER YOU WANT TO FILE A NOTICE OF INTENT TO APPEAR. YOU CAN SEE THE OBJECTION LIST FOR THIS BASIN AND OBTAIN THE PROPER FORMS AT THE LOCATIONS LISTED BELOW.

WHO MUST FILE A NOTICE OF INTENT TO APPEAR?

If you are *not already involved* in a specific water right claim as the claimant or objector, but you wish to intervene and to participate in the proceeding regarding a specific water right claim, you must file a **Notice of Intent to Appear**. Those who timely file a **Notice of Intent to Appear** on a claim will receive notice of all further proceedings relevant to the Court's review of that specific claim.
